LOCATION

Mallorca, Spain

INVENTORY

BROKER COMMENTS

The Negotiator has benefitted from being in the ownership of a true yachting enthusiast from new. As a result, she presents extraordinarily well. Her high build specification has been further complimented to bring her to certified charter ready condition. Through the 2023 season she has generated in excess of £130,000 in revenue via day-charter activity, much of which was repeat custom from the 2022 season. Despite her charter success, the yacht presents immaculately and has just 400 engine hours on her MAN V12-1400hp engines.

The Princess S66 is the model that has it all from Princess, four cabins sleep up to eight guests in great comfort while deck features include the opening sunroof to the saloon, tender garage housing a Williams 325, aft sun pads providing waterside lounging and a sports flybridge which is proportioned perfectly to provide a fully serviced social space whilst maintaining the beautiful sport aesthetic which has become synonymous with the S-Class.

PRINCESS S66
