BROKERS COMMENTS

- "Endless Days" is an excellent example of the sort after Princess V52, with her being the most desirable two cabin variant and only two owners from new.
- The current owner has diligently maintained and modernised the yacht. Upon taking ownership she underwent work by Princess in Plymouth and more recently she has undergone a Setag refitted which brings this modern classic model

inline with the technology and styling found on a new Princess V50.

- If you are seeking a midships master cabin, hardtop roof, glassed saloon doors with the reassurance of shafts around 50ft then you will be hard pressed to find a better opportunity.
