## OWNER AND BROKER COMMENTS

- Good service history available for the past 6 years
- Just two owners from new. Current owner for the last 7 years. The boat while largely original remains in very good order. She has benefited from regular use and regular maintenance through her life. The current owner has always had a skipper to maintain and help him with the boat and this is very much apparent when you view her. She is more or less ready to go.

## DISCLAIMER
