PRINCESS
Distinction in Detail

Distinction in Detail

Your yacht is a part of your life. It's a home from home, a space to relax, a gateway to adventure, and a place to spend time with the people who matter most.

A Princess yacht makes the experience unforgettable. Combining breathtaking design, meticulous craftsmanship, cutting-edge technology and exceptional levels of personalisation, our craft set new standards in performance, comfort and style.

Wherever your voyage takes you, you'll remember every moment.

Distinction in Detail

At our shipyards in Plymouth, founded in 1965 on the edge of the English Channel, a highly skilled team of craftspeople come together to create something remarkable.

From designers to engineers, laminators to electricians, carpenters to metalworkers, each one possesses a mastery of their individual craft. And each one is completely focused on the details for which they are responsible.

Because by focusing on every detail, the end result is exactly how we want it to be. By taking pride in every detail, we can be proud of the finished yacht. And by perfecting every detail, we can create the perfect experience.

S Class

Sleek by design. Dynamic by nature. The S Class is built to propel you to exhilarating speeds, with a streamlined form that reflects the impressive capabilities. A sports experience with generous space for entertaining, S Class craft are a haven of relaxation and exhilaration.

Enjoy every moment in style.

S80

The all-new flagship of the S Class range, the Princess S80 features a sleek sporting design with high powered performance and premium craftsmanship. Inspired by urban living, the S80 provides a sense of contemporary elegance, with a single level main deck, flowing furniture and sophisticated detailed interiors. She delivers an excellent driving experience, with twin high performance V12 engines that smoothly transition from displacement to planing within seconds. The sportbridge is perfect for entertaining, with an incredibly large U-shaped seating area, port and starboard companion seating, servery with sink, fridge and barbeque, plus the option of a dining table and triple seats to the helm station.

The cockpit offers unique versatility with configurable seating including adjustable twin upholstered L-shaped seats which can manually slide in-board, outboard and forward facing alongside twin coffee tables and twin aft sun pads which flank the teak-capped stairs leading to the spacious electro-hydraulic bathing platform.

Below deck, eight guests enjoy four beautifully appointed en-suite cabins, all bathed in natural light from elegant hull glazing, with a further twin cabin aft for occasional guests or crew. A dedicated staircase leads from the main deck to the full-beam owner's stateroom amidships, via a private lobby area in the lower companion way.

S72

Dynamic extended styling lines synonymous with the Princess S Class define the S72. Equipped with twin MAN V12 engines at 1650 or 1800 horsepower and a resin-infused deep-V hull, she delivers dynamic performance and smooth handling at speeds of up to 36 knots.

The cockpit features a unique sociable U-shaped seating area with modular seating, folding teak table and servery unit - the perfect place to entertain, or to sit back, relax, and enjoy the yacht's exhilarating performance. The cockpit bar connects to the galley unit to create an almost seamless transition from outside to in, with a glass window partition which folds up from the unit below to provide servery access when entertaining.

The saloon is designed for sociable living, with a large L-shaped dining area opposite the fully equipped galley, leading to a cavernous main deck saloon with U-shaped sofa, Princess Design Studio coffee table, and an elegant sideboard unit containing a 55" UHD LED TV on rise and fall, plus companion seating with fold out table opposite the main helm.

Below deck, eight guests enjoy four beautifully appointed cabins, three of which are en-suite, all bathed in natural light from elegant hull glazing, with a further twin cabin with en-suite aft for occasional guests or crew. A dedicated staircase leads from the main deck to the full-beam owner's stateroom amidships, via a private lobby area in the lower companion way.

S65

With a sleek exterior profile, the S65 balances dynamic form with breath-taking performance. The main deck flows from outside to in, surrounded by large hull length windows, sliding doors aft, an electrically sliding roof and an aft galley which connects beautifully to the cockpit.

Below deck, four cabins, including a full-beam master stateroom, can accommodate up to eight guests, plus optional crew cabin with en-suite.

Generously appointed deck areas, which include a spacious foredeck seating area, aft sunpad, hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports.

The sportsbridge offers flexible seating areas with the option to adapt the space via a moveable backrest to offer a forward sunbed with storage below.

S62

Powerful yet elegant, the S62's sleek exterior styling presents a dynamic, agile stance. With an optimised hull form spearheading her efficiency, her MAN V8 1200 engines mean you can experience speeds up to 38 knots. When at anchor her electro-hydraulic bathing platform creates a convenient launch system for a 3.4m tender, a jet ski, or simply a secluded swimming platform.

Her sociable galley aft arrangement features an open-plan dining area with sliding doors and a fully opening window leading out to the cockpit. Below deck, six guests are comfortably accommodated across an en suite full-beam owner's stateroom and two further guest cabins with the option of an additional crew cabin aft.

Global Coverage

Disclaimer

* Displacements are calculated with 50% fuel and water with liferaft but with no optional equipment fitted or other gear.

† Maximum speeds will vary depending on cleanliness of hull, condition of sterngear, loading of craft, water and air temperatures, sea conditions and other factors. Speed estimates are therefore given in good faith but without warranty or liability on the part of Princess Yachts Limited. Craft illustrated in this brochure may be fitted with certain optional equipment. Specifications may be changed at any time without notice or liability.

‡ Certain specifications, which vary by model, are upgraded on Princess Yachts built for use in North America. Thus, specifications and equipment will vary from the information listed in the brochure for North American Princess Yachts (e.g. air conditioning and an upgraded generator will be included as standard for all North American models and electric cooking facilities will be supplied in place of gas systems). Please contact Princess Yachts America for full details regarding the North American specifications for individual models.
